

# Hiwassee Havoc Leaders Guide

---

## **Required Items:**

- Medical forms A & B
- Swim tests (verified by Crew Advisor)
- *Hazardous Weather* and *Safety Afloat* training must be completed for all safety boats
- \$17 per person online registration
- Water bottle and closed-toe water shoes

This event is “BYOB” - Bring Your Own Boat. A limited number of kayaks will be available for rent on a first-come, first-serve basis. Otherwise kayaks can be rented from Hiwassee Outfitters and Webb’s Store. Please contact Shauna Rogers or Lynn Lawson if you need a boat or equipment. Life jackets are mandatory at all times on the river.

Crews are responsible for their own meals. You will need to bring food for Friday night through Sunday morning, plus snacks for the half-way point on the river and plenty of water to drink. We would like each crew to provide a shareable dessert for the cracker barrel after campfire.
